# HOME PAGE

When you first log into your individual club your home page will display a number of useful items.

**DASHBOARD SELECTION** - You will initially see your dashboard displaying key information. This overview provides a snap shot on what is happening in your studios with your virtual player. Switch between Month and Week View to alter the data displayed.

The screenshot shows the Wexer dashboard interface. A pink box highlights the central content area, which includes:

- Navigation tabs for **MONTH VIEW** and **WEEK VIEW**.
- A large display of **333** with the text **TOTAL ON-DEMAND VIEWS THIS MONTH**.
- A section titled **TOP ON DEMAND CLASSES** listing:
  - Morning Stretch** (68 views)
  - Pilates Phase One - Core Flow 2** (57 views)
  - Pilates Phase One - Core Flow 1** (39 views)
- Two bar charts: **VIEWS BY WORKOUT CATEGORY** and **VIEWS BY WORKOUT LEVEL**.

**MENU SELECTION** - To the left of the dashboard is your main menu - this is where you will navigate yourself through MyWexer.

The screenshot shows the Wexer dashboard interface. A pink box highlights the main menu on the left side, which includes:

- Dashboard**
- Messages**
- Calendar**
- Marketing**
- Virtual class library**
- Statistics**
- Add own content**
- Settings**
- Chain account**
- Master account**
- wexer.com**

**BLOG SELECTION** - To the right of the screen is the Wexer Blog - here we will keep you up to date with information on specific items such as best practices and new content as well as virtual trends worldwide.

The screenshot shows the Wexer dashboard with a teal header and a dark sidebar. The main content area includes a large '333' view count, a list of top on-demand classes, and two bar charts for views by category and level. A pink rectangular border highlights the 'WEXER BLOG' section on the right, which contains social media icons and two blog posts.

# MENU FUNCTIONS

**MESSAGES** Your Account Manager will leave you information here and keep you up to date on your My Wexer account, as well as providing tools and tips to assist you with managing your virtual experience.

**MESSAGES** will be listed on the left of the screen. Click onto the item you wish to read and the full message will open on the right hand side.

To contact an Account Manager in response to any messages in your Inbox, press the 'Contact Wexer' button. An Account Manager will respond to you directly.

# CALENDAR

The screenshot shows the WEXER calendar interface for February 2018. The interface includes a header with the WEXER logo, navigation icons, and view options (DAY, WEEK, MONTH, PUBLISH). A sidebar on the left contains filters for providers, categories, levels, and durations, along with a list of course titles. The main calendar grid displays a weekly view with time slots from 6:00 to 8:30 AM. Courses are represented by colored blocks (blue and red) with their respective dates and times.

# 3. CALENDAR

**CALENDAR** - Manage your schedule through selecting which virtual classes will be playing when. You will build your timetable in here and then assign this to the player located in the studio.

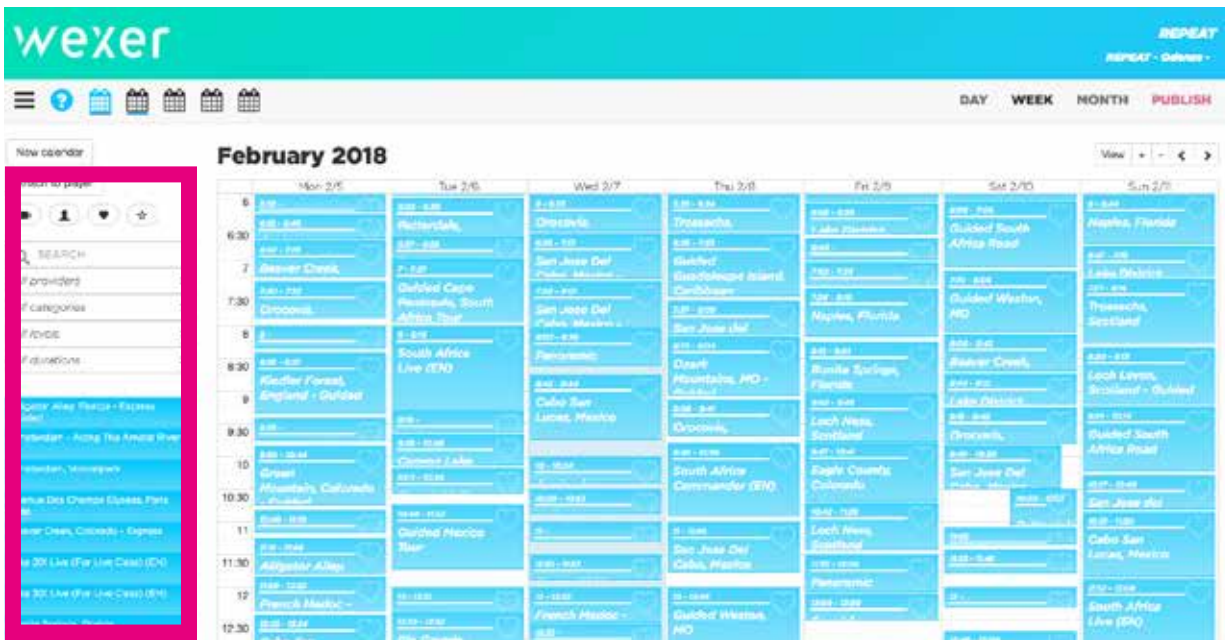

**CHOOSE THE SCHEDULE** you would like to be working on from the icons shown. You can select multiple calendars to view. To deselect, simply press the calendar icon again.

**CREATE A NEW CALENDAR** by pressing this button. A pop up will appear. From here you can either create a blank calendar by entering the name and then choosing 'no clone' from the drop down menu. Alternatively, you can clone a previous calendar by selecting the item from then menu. Complete this by pressing, 'Create Calendar'.

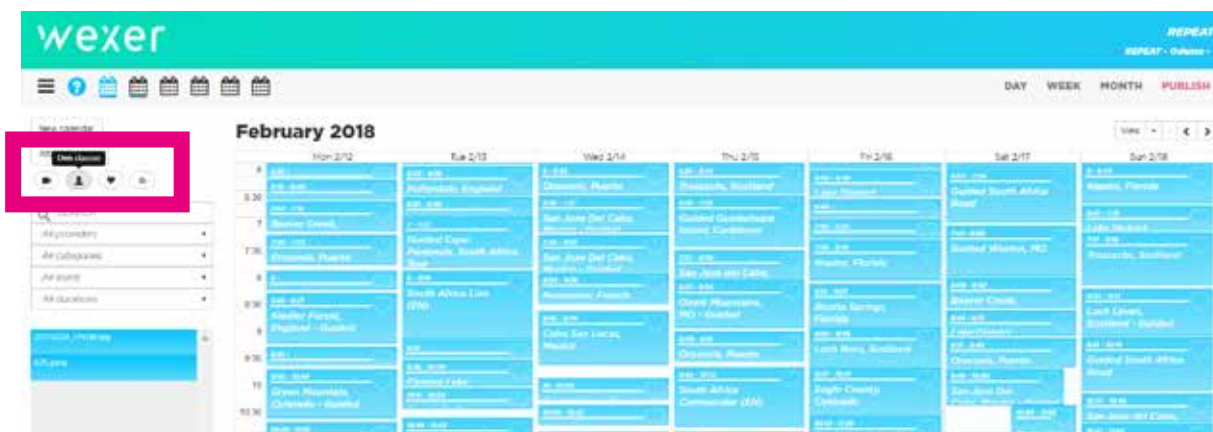

**CLASSES** - All classes available to place in the schedule are listed here and appear in the blue boxes below the filter options

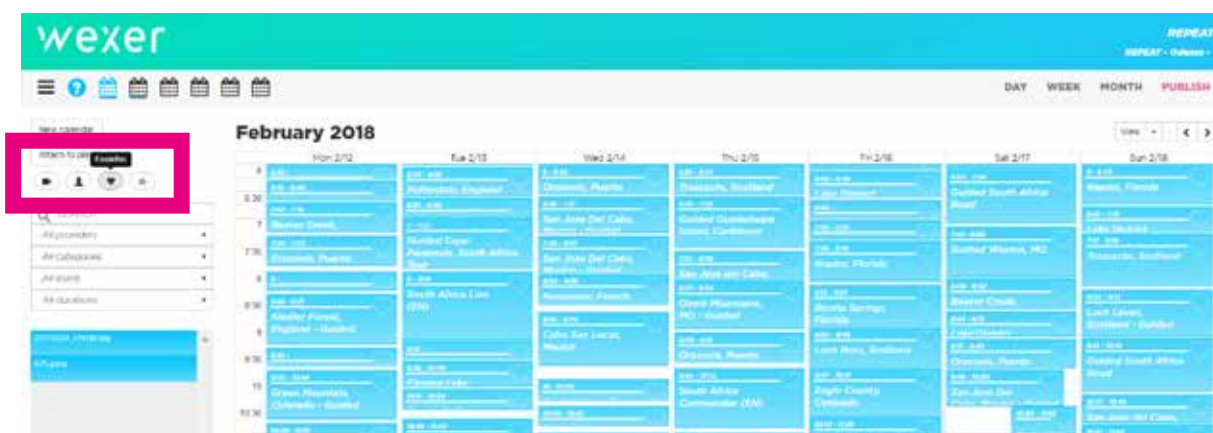

- By using the filtering options you are able to narrow down relevant list of classes.
- Once you have chosen a class you drag this item into the calendar and place in the desired time slot.
- A pop up box will appear, asking you to confirm this selection. You will also be asked about if this is a recurring item, meaning it will repeat on a weekly basis. If you are wanting this to continue and renew automatically tick the box on this pop up and then choose 'Yes, add recurring event'. If however, this is a one off class, choose 'Yes, add event'. You also have the option to abort adding this class by selecting 'No, changed my mind'.

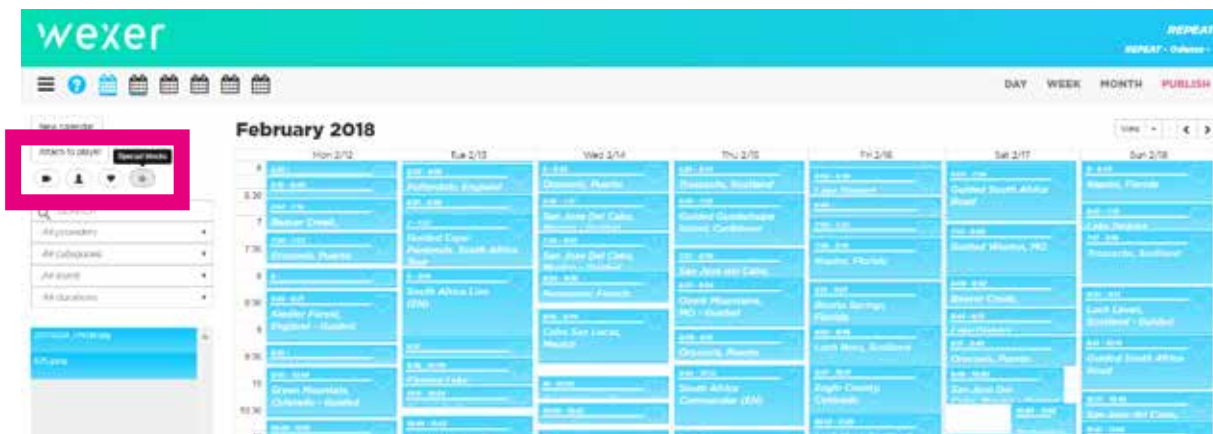

**OWN CLASSES** – once you have added your own classes, for example your live classes, into the separate menu item, they will be displayed in a list format below, allowing you to then schedule them into your calendar.

**FAVOURITES** – In the video class library you are able to create your favourites list. These will then be saved in a short list here for you to quickly find.

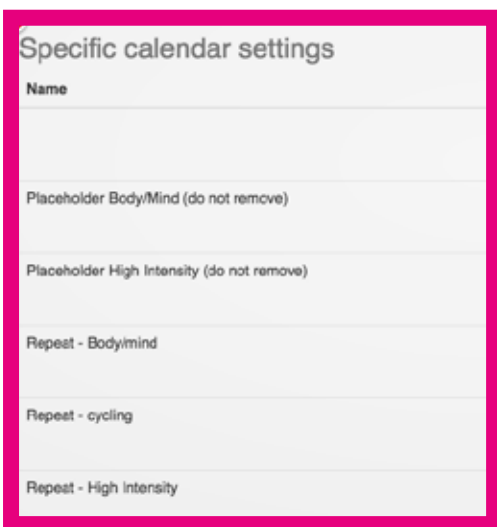

**SPECIAL BLOCKS** – Allows you to manage your On Demand time. By dragging the grey box that appears on at the bottom of the filters you can place this directly into your calendar for any time you do not want on demand classes to be available in the studio.

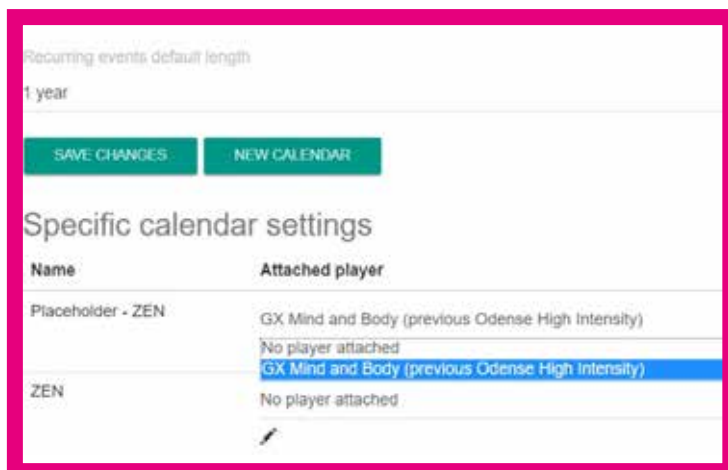

**ATTACH A CALENDAR:** To attach a calendar to your player you need to press the 'Attach to Player' button. This will take you to the Calendar Settings page where you determine which calendar and player are attached in order for this to play in your studio.

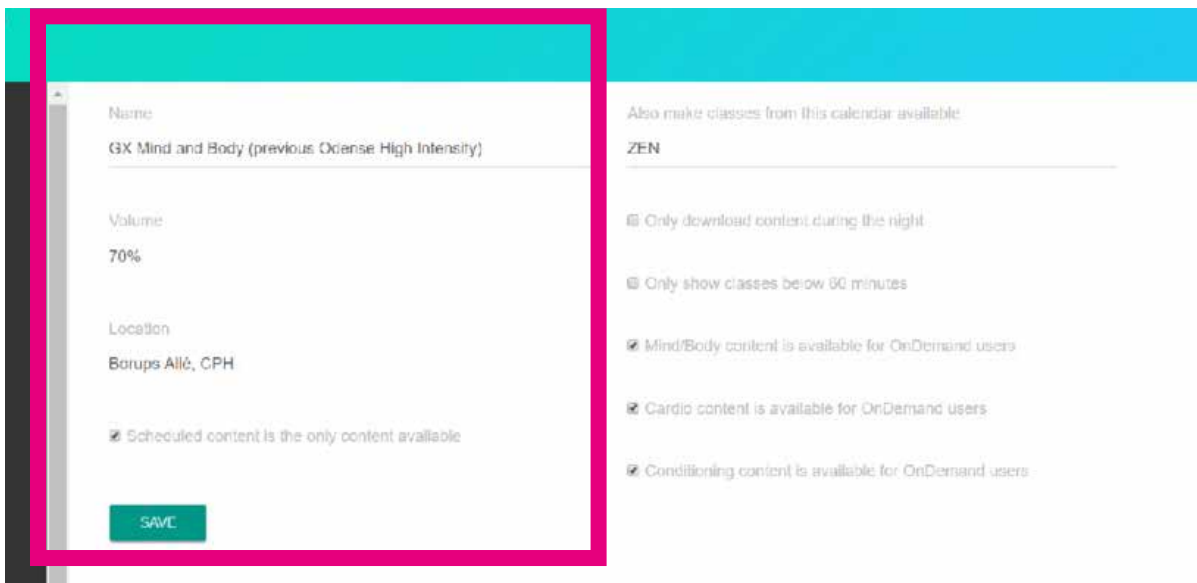

**CALENDAR SETTINGS:** You will see the names of your calendars on the left hand side. In the central column you can see the player name stated that is attached. To change this press on the text and a drop down menu will appear, you then press on the player you would like to link, this will then update on the player. To make edits to the calendar choose the tool logo under edit, here you can update the name or delete.

(B) - The pen logo enables you to amend the settings on the player.

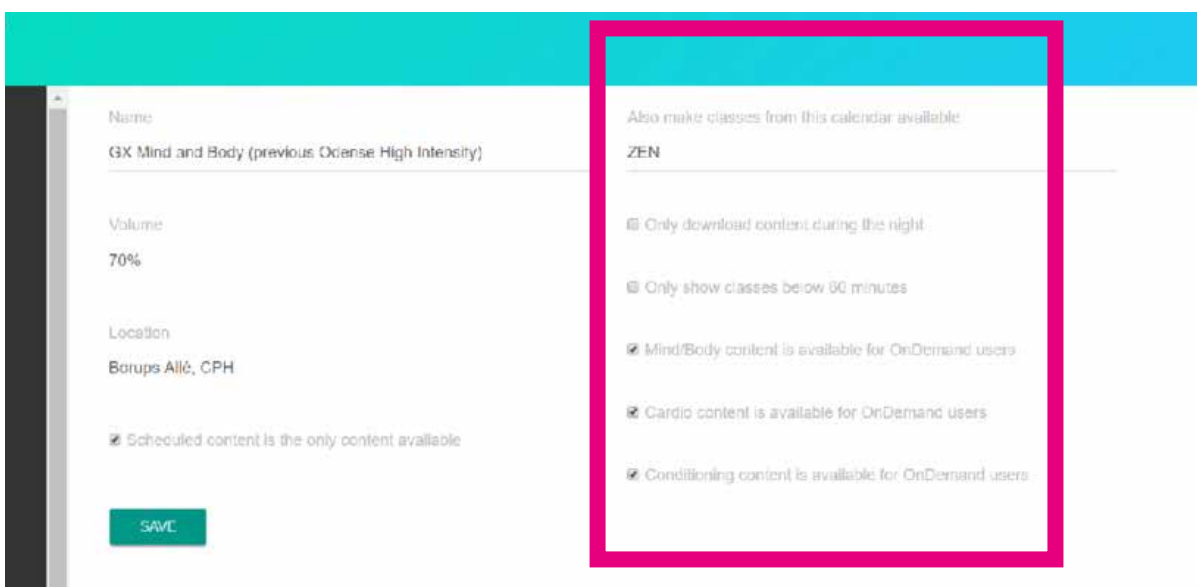

**EDIT PLAYER INFORMATION:** On the left you can see and edit the player information. The bottom tick box allows you to select only the content that is in the selected calendar to show on the on demand player. This is useful if you are not having on demand time slots available to your members as it means they are then only able to view the information for the classes they are able to attend.

**EDITING CONTENT:** Choose to also add content from an alternative player, for example if you also wanted a calendar you have created for a different studio to be available. There are additional options to choose, such as when your content downloads (day or night), length of classes (less than 60mins) as well as choosing the category of content, which is useful if specific equipment is available in the selected studio.

Press save after making any amendments.

**RETURN TO DASHBOARD:** To return to the dashboard press the menu icon to reveal the full menu options.

The screenshot shows the Wexer application interface. At the top is a teal header with the 'wexer' logo. Below the header is a navigation bar containing a menu icon (three horizontal lines), a help icon (question mark), and several calendar icons. On the left side, there is a sidebar with options: 'New calendar', 'Attach to player', and a search bar. Below the search bar are filters for 'All providers', 'All categories', 'All levels', and 'All durations'. The main content area displays a calendar for February 2018, with a grid of audio tracks for the days Mon 2/5, Tue 2/6, Wed 2/7, and Thu 2/8. Each track is represented by a blue card with a heart icon and a duration.

	Mon 2/5	Tue 2/6	Wed 2/7	Thu 2/8
6	6:35 - 6:40	6:02 - 6:36 <i>Patterdale,</i>	6 - 6:23 <i>Orocovia,</i>	6:25 - 6:34 <i>Trossachs,</i>

# MARKETING

The marketing section provides resources to assist with maximising usage of virtual within your club. Click through the options at the top for the various assets.

- i. **MARKETING MATERIALS** - Marketing materials are provided, both physical and digital assets for inside the club to promote virtual. There are items such as posters, banners and leaflets you can have printed, as well as options to use online. They cover the different content options available, such as cycle or mind and body.
- ii. **PLAYER OPTIONS** - Contains the player guide and default screensavers that can be used on the player itself. You can of course upload a bespoke screen saver in the settings section.
- iii. **DIGITAL MARKETING** - Contains assets that can be used for email and social media channel promotion.
- iv. **INTERNAL MARKETING** - Provides useful tools for training your team.

To access our documents you click on the down arrow and the items will show below. Then click on the item you would like to preview. This will appear on the left hand side. From here you can then 1) Change the rotation 2) Download 3) Print. There are also options from the icons on the left to change the view scale and either 1) Fit to Page 2) Zoom in 3) Zoom out.

The Marketing Guide and Marketing Check list are available to download on all pages, this provides you with tools and the suggested steps for virtual execution.

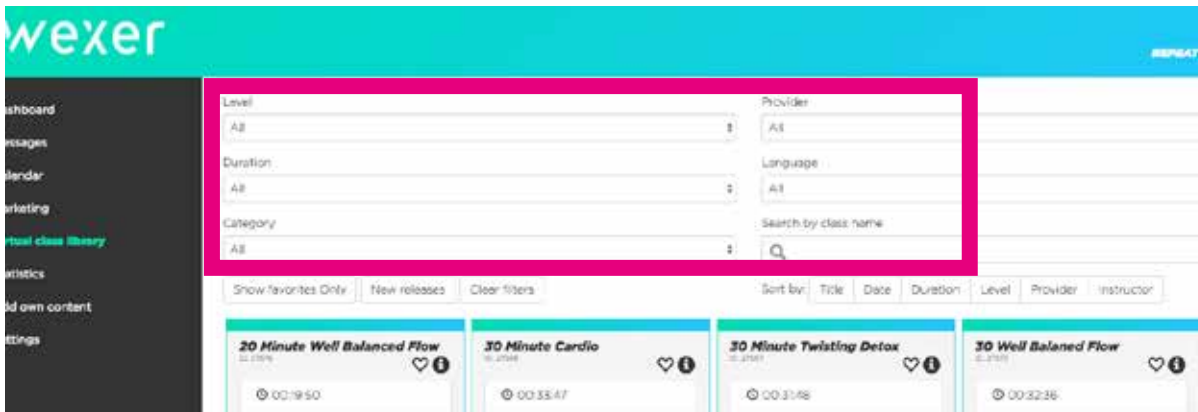

# CLASS LIBRARY

The screenshot displays the WEXER Class Library interface. At the top left is the 'wexer' logo, and at the top right is the text 'REPEAT' and 'REPEAT - Offense -'. A dark sidebar on the left contains navigation links: Dashboard, Messages, Calendar, Marketing, Virtual class library (highlighted in green), Statistics, Add own content, and Settings. Below these are account options: Chain account, Master account, wexer.com, Show tutorial, Support, and Logout. The main content area features a filter section with dropdown menus for Level (All), Duration (All), and Category (All). It also includes a search bar for class names, a 'Show favorites Only' button, a 'New releases' button, and a 'Clear filters' button. A 'Sort by' dropdown is set to 'Title'. Below the filters is a grid of eight class cards. Each card shows the class title, duration, level, instructor name, and a thumbnail image. The classes are: 20 Minute Well Balanced Flow (00:19:50, Intermediate, Laura Burkhardt), 30 Minute Cardio (00:33:47, Advanced, Vytas Baskauskas), 30 Minute Twisting Detox (00:31:48, Advanced, Vytas Baskauskas), 30 Well Balanced Flow (00:32:36, Intermediate, Laura Burkhardt), 4 Minute Full Body Stretch (00:04:25, For everyone, Sam Rider), 8 Minute Full Body Stretch (00:08:24, For everyone, Sam Rider), Abs and Booty Burn (00:26:55, Advanced, Brett Hoebel), and Abs Of Steel (00:32:16, Beginner, Alex McClean).

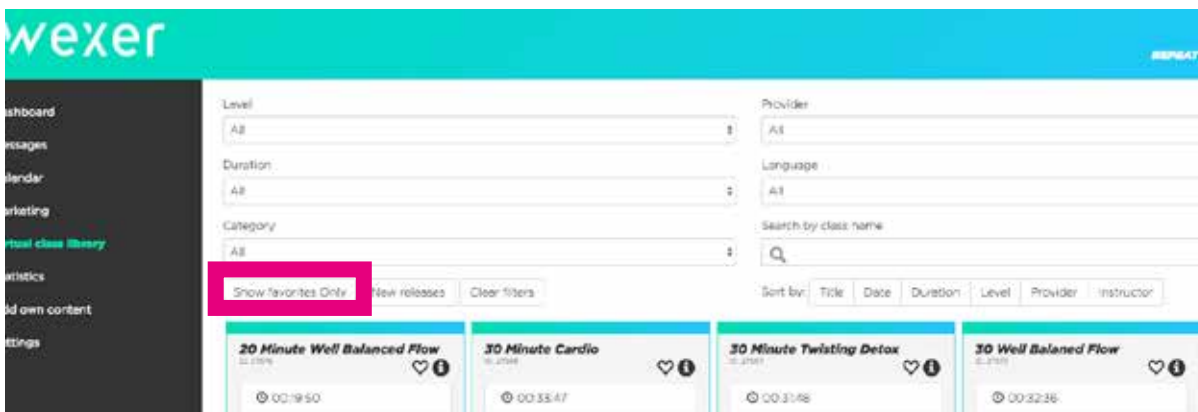

# VIRTUAL CLASS LIBRARY

Browse through the vast selection of virtual classes available on your player.

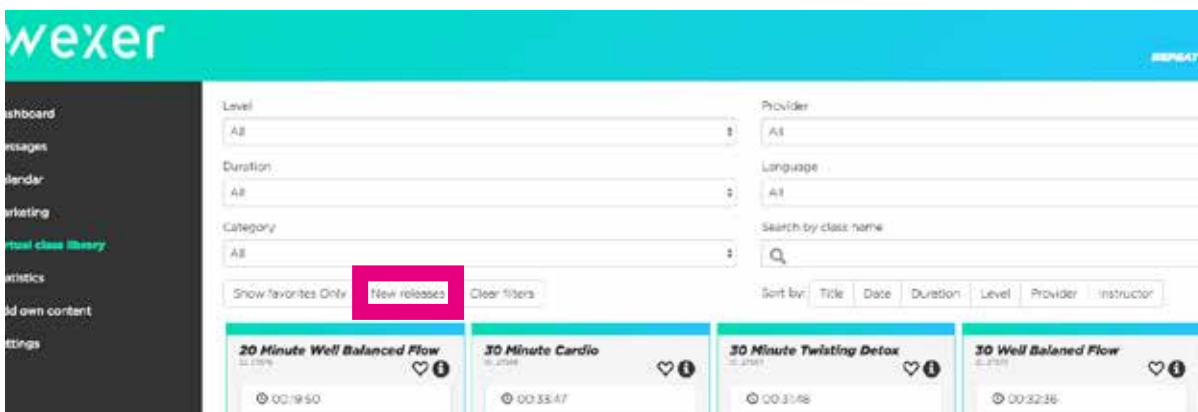

**FILTER YOUR SEARCH** in the content library by selecting from the drop down options in the various categories. There is also a search option, which you can type the class name in and this will provide a shortcut to the title.

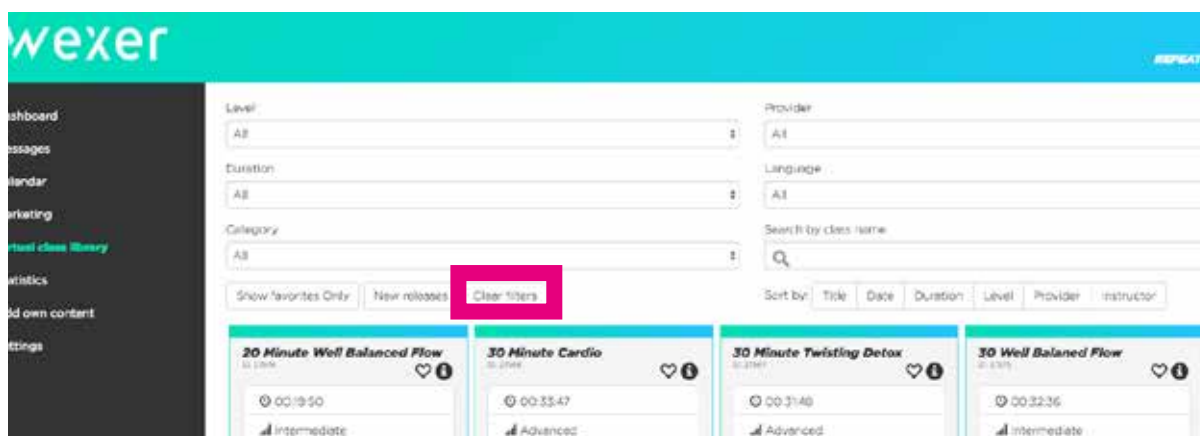

**ADD A CLASS TO YOUR FAVOURITES LIST** by clicking the heart on the video card in the library. Once selected the heart will turn red. You can then shortcut to this list of titles by hitting the 'Show favourites only'. This will also display in your favourites list in the Calendar.

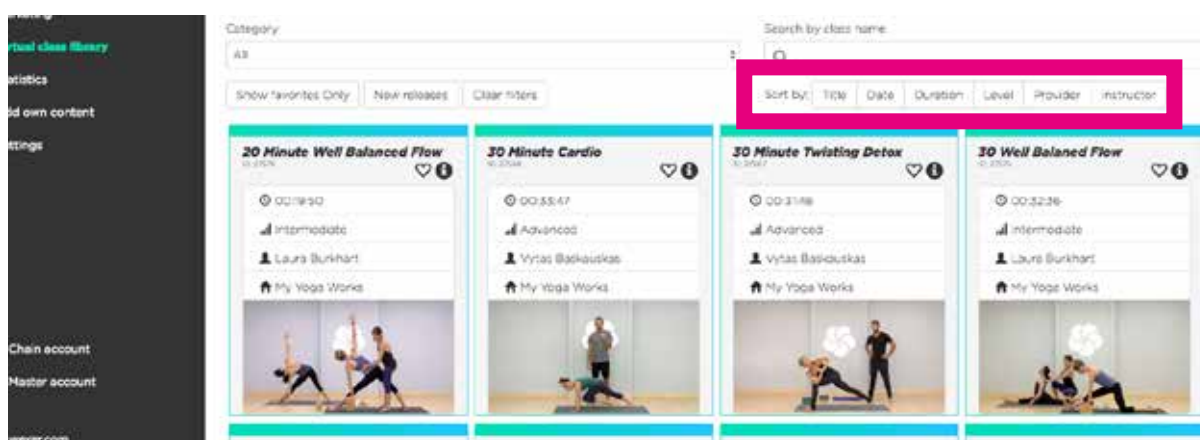

**LATEST TITLES** - Press this button to shortcut to the latest titles available on the system

**CLEAR ALL THE FILTERS** you have selected by pressing here.

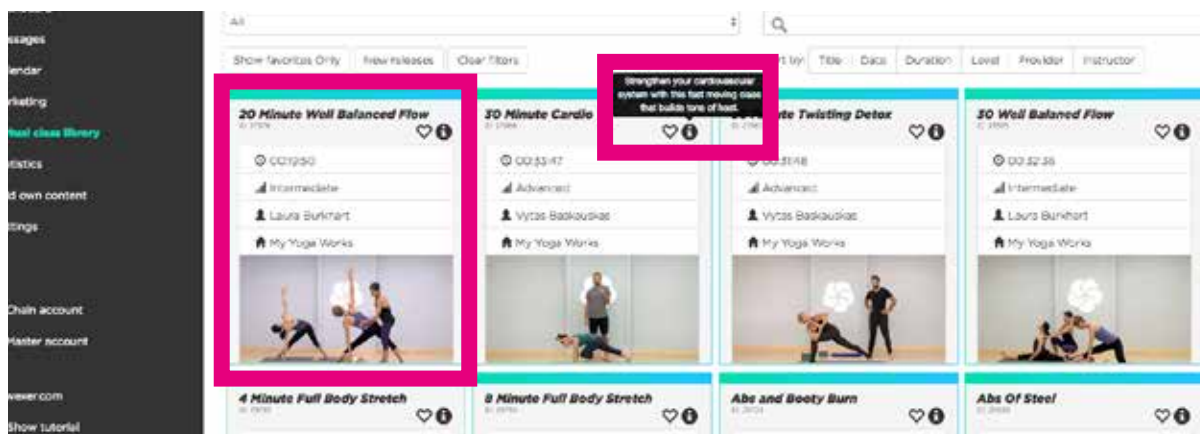

**CHOOSE THE DISPLAY** by selecting from the 'Sort by' options. To deselect press the button again and then the filter will be removed.

**THE VIDEO CARD DISPLAYS THE TITLE AND INFORMATION**, including duration, level, instructor and content provider. You can view a trailer for the class by clicking on the image.

**VIEW THE DESCRIPTION** for the class by pressing on the 'i' icon

# ADD OWN VIRTUAL CONTENT

## ADD IN YOUR LIVE CLASSES, ATTACH IMAGES OR EVEN ADD YOUR OWN VIDEOS.

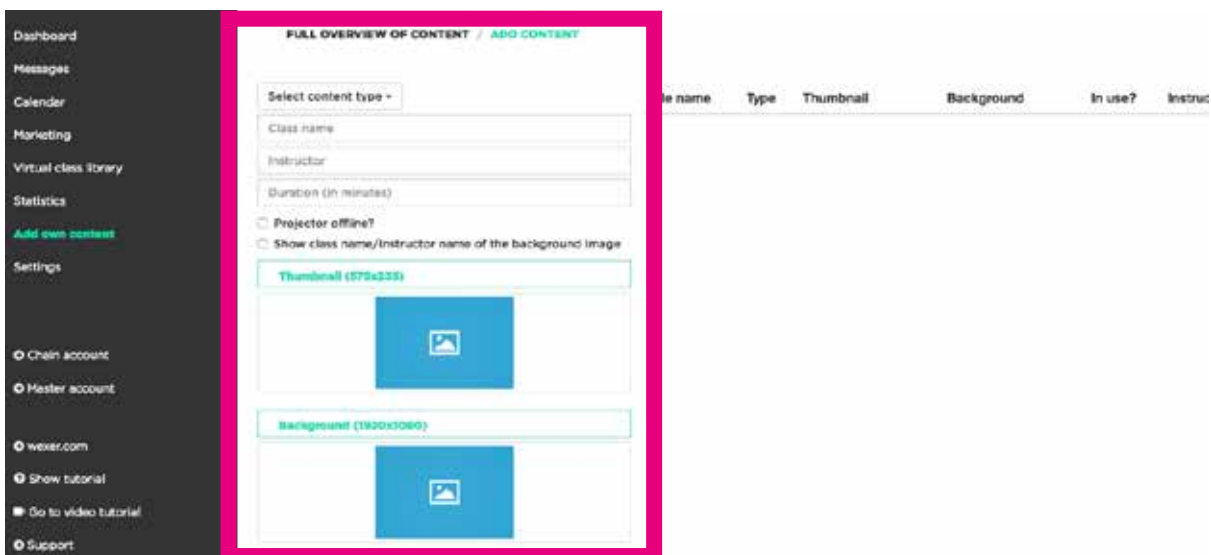

You add these items in this section in order to schedule them from your calendar.

### CHOOSE FROM THE DROP DOWN MENU:

a) LIVE Class:

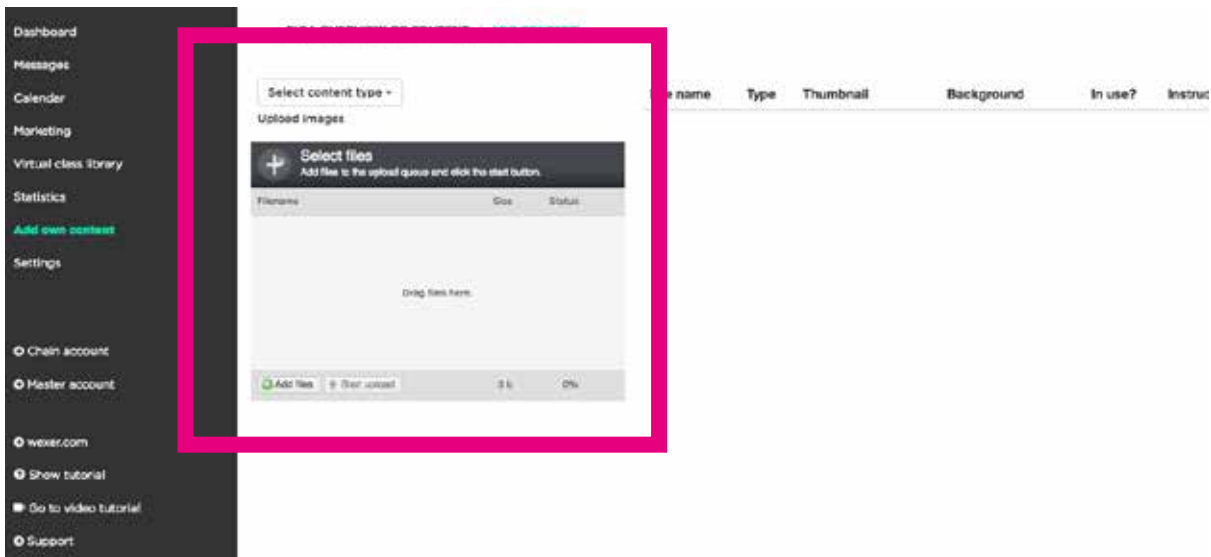

- Input the information from your current live timetable into the information boxes provided, then press 'Add Live Class'.
- The projector will be offline whilst this class is playing – select this option
- If you would like the class information to display on an image (uploaded below) then select this option
- You are able to attach an image to display on the screen and a thumbnail for how it will show on the On Demand player.
- This will then show under the 'Full overview of content'.
- Once you have created this class it will then show under 'Own Classes' in the calendar for you to then schedule in.

## **ADD IMAGE:**

These images can be scheduled to display on the screen, without being attached to a live class. These are useful for scheduling at times where you have a captive audience in your studio and a message you would like to promote.

- Select the ADD FILE button
- Choose from your files which image you would like to add
- Once the class is added to the box, press start upload.

# STATISTICS

Here you can review in full the usage of your player.

- a. Using the filters you can be specific about the data you are reviewing.

**THE DATE RANGE:** The date range can be entered here to look at specific time period. Enter the start date in the left hand box, and the end date in the right hand box.

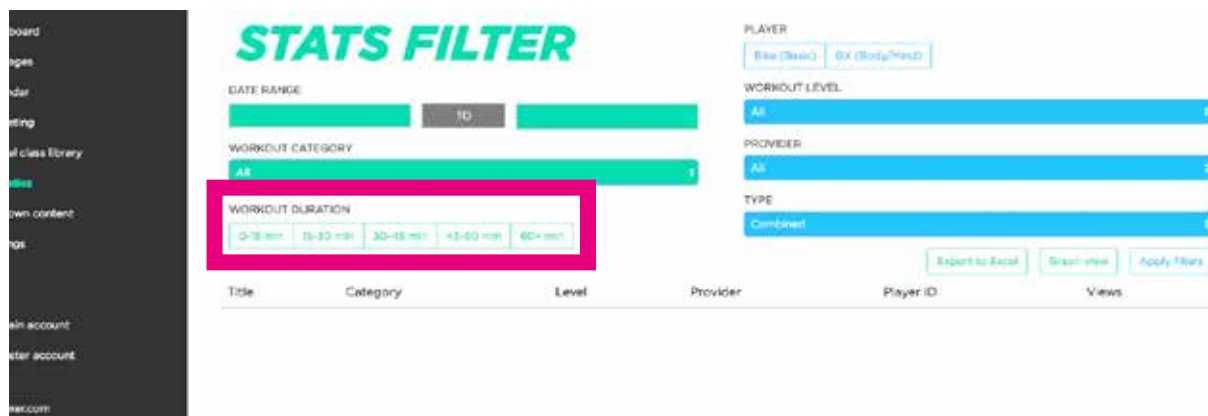

The screenshot shows the 'STATS FILTER' interface. The 'DATE RANGE' section is highlighted with a pink box. It features two input fields for start and end dates, a 'TO' button, and a calendar icon. Below the input fields, there are three buttons: '0-15 min', '15-30 min', and '30-45 min'. The interface also includes sections for 'PLAYER' (with 'All (Basic)' and 'All (Body/MinD)' options), 'WORKOUT LEVEL' (set to 'All'), 'PROVIDER' (set to 'All'), and 'TYPE' (set to 'Combined'). At the bottom, there are buttons for 'Export to Excel', 'Graph view', and 'Apply Filters'. A table with columns 'Title', 'Category', 'Level', 'Provider', 'Player ID', and 'Views' is partially visible at the bottom.

**WORKOUT CATEGORY:** Choose the workout category from the options in the drop down box

The screenshot shows the 'STATS FILTER' interface. The 'WORKOUT CATEGORY' dropdown menu is highlighted with a pink box. The menu is open, showing options: 'All', 'CARDIO', 'MIND/BODY', 'CONDITIONING', 'CYCLING', and 'KIDS'. The interface also includes sections for 'PLAYER' (with 'All (Basic)' and 'All (Body/MinD)' options), 'WORKOUT LEVEL' (set to 'All'), 'PROVIDER' (set to 'All'), and 'TYPE' (set to 'Combined'). At the bottom, there are buttons for 'Export to Excel', 'Graph view', and 'Apply Filters'. A table with columns 'Title', 'Category', 'Level', 'Provider', 'Player ID', and 'Views' is partially visible at the bottom.

**WORKOUT DURATION:** Choose the workout duration by selecting the time you would like to review. You can have multiple selections by hitting on the chosen time frame. The box will turn grey when selected. To de-select press the time frame again and it will return to white. If no time frames are selected all durations will be displayed.

The screenshot shows the 'STATS FILTER' interface. The 'WORKOUT DURATION' section is highlighted with a pink box. It features five buttons: '0-15 min', '15-30 min', '30-45 min', '45-60 min', and '60+ min'. The interface also includes sections for 'PLAYER' (with 'All (Basic)' and 'All (Body/MinD)' options), 'WORKOUT LEVEL' (set to 'All'), 'PROVIDER' (set to 'All'), and 'TYPE' (set to 'Combined'). At the bottom, there are buttons for 'Export to Excel', 'Graph view', and 'Apply Filters'. A table with columns 'Title', 'Category', 'Level', 'Provider', 'Player ID', and 'Views' is partially visible at the bottom.
